Colorado Department of Public Health & Environment has indices for marriages Dissolutions from 1851 to 1939 and 1968 to present. This office will not have a record of the divorce, separation, or annulment if the county did not forward the information for the State Index. Verifications for the years 1940-1967 are not available from this office and must be obtained from the county where the dissolution was decreed. You may need to contact each of the counties if you do not know where the decree was granted. District courts are located in the county seat. A list of counties, county seats, and ZIP codes is provided for your convenience on the reverse side of this form.
